

PRIDE IN THE TIGER

"...supporting educational programs for the benefit of youth"

Dear Applicant:

Attached to this letter is the Application Form which must be completed for your application for funds to be reviewed for approval by The Pride in the Tiger Foundation (PITF).

We would request that the Application be submitted by the deadline dates of either October 1 or March 1.

If your request is granted, we would ask that you perform the following tasks in the hopes that we can raise public awareness of the mission of PITF which would allow us to raise additional funds which would be a benefit to all of the students in this area. The tasks that we would ask that you perform are as follows:

1. Prepare and submit a letter to the Editor of the Marshall Independent Newspaper acknowledging receipt of this grant from PITF.
2. Publish a photograph of your event or of a representative from your group receiving a check from a PITF representative. In either case, please acknowledge PITF's grant.
3. Include the PITF logo or some acknowledgement to PITF in all publications relating to the event for which the grant was made.
4. With a self addressed envelope that is provided, please send to the board, all the above information and any other pertinent materials for us to create a scrapbook entry into our archives.

We realize that this will create more work for you, but we anticipate that this publicity will assist us in our fundraising efforts which will allow us to fund more programs and events at a higher level in the future.

If you have any questions, feel free to contact me at.

Sincerely,

Executive Director

PRIDE IN THE TIGER

"...supporting educational programs for the benefit of youth"

APPLICATION FORM

Date of Request: _____

The Pride in the Tiger Foundation seeks to provide, "...financial and other support for activities and extraordinary educational programs supporting our children's personal growth and development in their pursuit of excellence." We invite your application for Foundation support through the completion of the questions below. Every effort will be made by the Foundation to provide you with the support requested. Requests need building principal approval and signature and then should be forwarded for Superintendent approval and signature.
